Rawlins County Health Center is excited to announce additional specialty providers available via tele-med! Neurology, Rheumatology, and Endocrinology are now available through Freestate Healthcare in Wichita. Oncology is also available with Cancer Care Center, and Nephrology and Urology are available through St. Catherine's in Garden City.

## SCHEDULE YOUR ANNUAL PHYSICAL!

Many people delayed their annual physicals and screenings due to concerns around coronavirus. It is very important for your overall health to get your yearly physicals and screenings to protect your health and overall well-being. Most insurances will pay for an annual preventative physical. If you do not have health insurance, the clinic has a sliding fee scale available.
